

General Grammar Points

In this course of English you will learn the basic structures which are necessary for you to be able to read and understand scientific/technical texts in English.

The following will be used in this course:

V	=	Verb
V_p	=	Principle verb
V_{pr}	=	Principle verb (regular)
V_{pi}	=	Principle verb (irregular)
V_a	=	Auxiliary verb
O	=	Object
O_d	=	Direct object
O_i	=	Indirect object
S	=	Subject
C	=	Complement

The following numbers are associated with verbs:

1	2	3	4	5
Infinitive	present	past	past participle	present participle
