

Strong Future Tense

The form is :

S + Am.Is.Are + Going to + V_{p5}

This tense is used when we wish to express an action that will take place in the future and is not normal (see Future Tense), it can also express an action that is about to take place.

I am going to go to work tomorrow (I do not normally work that day)

It is going to rain (It is about to rain, look at the black clouds and listen to the thunder)
